

SafeSport Policy

Updated January 2022

Every USRowing Member Organization must have a SafeSport program in place that includes three basic components:

1. Background Screening of key individuals (coaches, administrators, volunteers)
2. SafeSport online training for the key individuals
3. A written SafeSport policy that includes procedures for reporting. Investigation and adjudicating complaints.

City Island Rowing Athlete Safety Policy

City Island Rowing is committed to improving the development and safety of athletes involved in our sport.

There are a lot of reasons to row – at any level. A life-long activity, people often row to have fun and spend time with friends, and engage in rigorous competition. Rowing also encourages a healthy lifestyle, builds self-confidence; athletes also do better off the field. They learn goal-setting, teamwork and time management skills. Athletes are less likely to use cigarettes, drugs and alcohol; they have higher graduation rates and are more likely to attend college.

Unfortunately, sport can also be a high-risk environment for misconduct, including child physical and sexual abuse. Here, we identify six primary types of misconduct:

- Bullying
- Harassment
- Hazing
- Emotional Misconduct
- Physical Misconduct
- Sexual Misconduct, including Child Sexual Abuse

All forms of misconduct are intolerable and in direct conflict with the CIR ideals.

Misconduct may damage an athlete's psychological well-being; athletes who have been mistreated experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and negative impacts on family, friends and the sport. Misconduct often hurts an athlete's competitive performance and may cause him or her to drop out of sport entirely.

This Policy applies to

- Staff members, volunteers and Board members
- CIR's athletes and parents

Background Screening

All key personnel (coaches, administrators, and chaperones) who will have routine access to minor athletes will have to submit to and pass a comprehensive backgroundcheck by a 3rd party professional company of the Board's choosing.

Current CIR athletes acting in a coaching / volunteer capacity under the age of 18 are exempt.

Duty of Full Disclosure

Each applicant has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting an arrest plea or conviction history in an application or any other information provided by an applicant during the screening process is grounds for volunteer dismissal and/or membership revocation or restriction, regardless of when the offense is discovered.

SafeSport online Training

All key personnel (coaches and chaperones) and Board members at CIR, are required to complete the USRowing Online SafeSport training program. A copy of the course completion certificate will be forwarded to the SafeSport Officer for record keeping.

All athletes aged 18 years of age or older, must complete the SafeSport training program.

To access the full SafeSport Training program, visit:

Use the enrollment key: NGBUSR-RFKt8f

All of the above persons must forward a copy of their SafeSport Trained Certification (and applicable annual refresher courses) to the SafeSport Officer for record keeping and compliance.

Minor athletes should highly consider the [SafeSport for High School Athletes](#)

Parents of minor athletes are encouraged to take the [Parents Guide to Misconduct Course](#), to learn about the types of misconduct and how to support a positive sport experience for their child.

Reporting, Assessment and Adjudication.

Any person (or parent of an athlete) who experiences or witnesses any inappropriate behavior should immediately contact either CIR's SafeSport Officer or the Board President and inform them of their concerns. An assessment of the complaint will be made without delay. A meeting of the Board will be convened if the complaint is found to be legitimate. The Board will then discuss the matter and an appropriate course of action taken.

If a person is dismissed from CIR as a result of a complaint that is sexual in nature, the matter will be reported to the US Center for SafeSport and appropriate authorities as required.

Such communications by coaches, staff, volunteers, administrators, officials, board members, parents, or athletes will not be tolerated and are considered violations of our SafeSport policy. All electronic communications between key personnel and athletes must be Open and Transparent, and professional in nature.

Supervision of athletes and participants:

City Island Rowing is a uniquely small club and as such it is often not possible to have “layers of supervision”. That being said, we strive to have all key personnel / athlete interactions happen in public. In the rare instance that reasonable privacy is required, under no circumstances will that happen behind a locked door.

At regular regattas, with the team staying in public venues such as hotels and attended by many parents we will not require formal chaperones. When the team is staying overnight with limited parent attendance and or in private residences like VRBO (such as our winter training trip), the club will ensure appropriate chaperones are in place. The names and contact details of the chaperones will be shared with all participant families before the trip. Official chaperones will be required to complete SafeSport Training and pass the background screening test.

In the rare instance where a small subset of the team is traveling for competition (such as Youth Nationals / National Team trials for example) and not one parent is able to attend for part or all of the duration of overnight travel, then all of the participating athletes’ parents must sign a letter of permission for their athlete to travel with the team representative, acknowledging the lack of parental attendance. Said permission letter must be submitted to the Club secretary for record keeping prior to travel.

Minor Athlete Abuse Prevention Policy (MAAP)

USRowing has further expanded its guidelines, regulations and requirements for member organizations. A full copy of the USRowing MAAP is also linked to on our website on the SafeSport page which you are encouraged to read.

This policy now requires member organizations to get parental permission in writing (annually) for Key Personnel to interact with athletes on a one-to-one basis. This is now included in our Annual Waiver.

All one-on-one In-Program Contact between adults and a Minor Athlete must be observable and interruptible.

Monitoring the organization’s Policy

The Board shall at its first meeting of each calendar year review the SafeSport Policy to ensure that it is up to date and compliant with USRowing directives. This includes updates to the SafeSport training policy.
